

Providing Specialized Comprehensive Care for Children and their Families in the Foster and Adoption Communities

What Do We Provide?

- Medical, dental & behavioral health care using a trauma informed lens
- Full spectrum care for both the child and their families of support
- Unique sensory sensitive space
- Longer appointments means sacred patient time
- Daily openings available for post placement health exams
- Quick access to meet new placement needs
- Coordinated care with case workers
- Transitional care through permanency and beyond
- Innovative community approach
- All care including: Initial Health Screenings and ESPDT exams

**Medical, Dental, Behavioral Health, Pharmacy & Lab Services
in One Convenient Location**

Walk-in services are available

Offering care to any child or adult who is in the Foster/Adoption Community

- Children in kinship or foster care
- Children who are adopted or waiting for adoption
- Adults who have aged out of foster care
- Birth Parents whose children are at risk or in foster care
- Families and Adults who are caring for children in any of these situations

No one is turned away due to inability to pay

If you do not have insurance we can assist with insurance enrollment and a sliding fee scale is available. Coordinated Care of Washington provides health insurance for all children newly placed in the Foster community.
