

Foster Parent and Kinship Caregiver Engagement Opportunity

Lived experience experts and other valued child welfare community partners are engaging with the D.S. settlement project in many ways. Engagement ranges from participation in listening session and survey to the questions, and providing feedback that will inform the development of 3 of the 8 system improvements emerging from the lawsuit settlement. Implementation progress updates, including stakeholder feedback, will be available on the DCYF website when it is launched. To read the lawsuit settlement, please follow this link [D.S. Settlement Agreement Washington State Department of Children, Youth, and Families.](#)

PCG will host both in-person and virtual listening sessions to gather feedback. If you are unable to attend the listening session, we encourage you to complete the online survey that will be open to complete from March 10-25, 2023. All responses will be anonymous. If there are any questions you don't wish to answer, you do not have to do so. You can access the survey using this link [PCG On-line Survey.](#)

To the right is information about the in-person and virtual listening sessions. Please click the link to register for the session that best fits your schedule. You will receive a confirmation email that includes the meeting date, time, and location (if in person) for you to add to your calendar. The registration form will request that you identify any special accommodations.
